Grace and Peace my fellow co-laborer in Christ,

I am both honored and humbled by your desire to connect with the Kingdom International Fellowship. Many often ask what is a spiritual covering? I define a spiritual covering as a spiritual father who becomes a source through which we find nourishment, wisdom, protection, and counsel. A covering is a father who invests all of his available resources in a son/daughter or a church so they can reach their purpose or destiny.

God intends for everyone to be under spiritual covering so that they can mature, bless others, receive blessing and so that there can be a flow of love and grace.

As you connect with this Fellowship you are sure to receive the same blessing and oil that is upon my life.

We have been deputed by God to train, equip, mentor and develop others for the sole purpose of furthering the gospel of Jesus Christ on every continent.

The marvelous benefit of being in covenant is that it provides a spiritual inheritance. Rather than working to lay a foundation you will be able to build on the foundation laid by another. Do not ignore this vital principle. Covenant is not meant to restrict you, but to bless you. Keep in mind that church is not a building, but people. If you desire to **ONLY be a part of the fellowship, please indicate your choice on the "Ministry Network" application.**

So, I welcome you to join and connect as we together fulfill the heartbeat of our Heavenly Father.

**Be Blessed,
Bishop Titus B. Stewart**

BELOW ARE A FEW COMMON QUESTIONS YOU MAY HAVE:

“If one becomes a part of the Fellowship, must he/she change the name of their church to “Kingdom International Fellowship”? **NO**

Must one leave their present affiliation to be a part of the KIF ? **NO.** We are a Fellowship that comes together to fellowship with the Lord and each other. You can very well do both. We believe that it is very important that the “walls of tradition” come down. Let us add to what is encouraging by allowing others to see what God is doing through the Kingdom International Fellowship, which is coming together in One Spirit in the Body of Christ.

What must one do to become a member? You must be a part of the Body of Christ, participate in covenant partners’ campaigns as well as make a debt-free pledge of any amount. Each Pastor / Church is asked for their continued support through Covenant Partner with a \$120/ per month commitment. You can also accomplish your Covenant Partner commitment by asking 12 members of your congregation to give \$10 per month. Additionally, each Pastor is asked for their continued support through Covenant Partners with a \$120/ per year, individually. The Covenant Partner reporting period is from November 1st –through June October 31st of the calendar year. Every annual Conference starts a new Covenant Partner year.

Membership

Each member receives a certificate for being an active member of the Kingdom International Fellowship Network and an ID signed by the spiritual father of the network, Bishop Titus B. Stewart.

The membership is valid for as long as the individual remains in complete harmony with the principles established by the Word of God and as long as he/she does not incur problems of false ethics or moral character.
